

**EVERY TOUCHDOWN FROM EVERY GAME SUNDAY AFTERNOONS**

**RedZONE**  
From **NFL NETWORK**

For anyone that may not be familiar with what Redzone is, it only airs on Sundays, the program cuts between games and shows teams that are in the redzone (about to score), and the purchase price includes the entire regular season.

For Traditional Video:

You will have to order Redzone from the remote like you would a PPV channel. To order NFL REDZONE you need to tune to channel 330 (SD) or 630 (HD) and purchase the event from the guide. When it asks for a PIN it is 0 (1 zero). When you purchase this, you will receive access to that channel for the rest of the season. **First games starts September 10<sup>th</sup> and ends January 8<sup>th</sup>, 2023.**

For Streaming Video customers, you must call into the office.
